

PARTNERSHIPS & SUBCONTRACTING

Developing partnerships and collaborating is an excellent way to build capacity to serve children and families in San Bernardino County.

For your reference, we have attached a spreadsheet of the agencies that attended the mandatory RFP Proposers Conference on January 21st. The attendee's area of interest is indicated. You can locate current First 5 contractors by accessing the drop down box on this page: http://www.first5sanbernardino.org/resources/desired_results_rfp.aspx

The image shows a web form titled "Find a Partner". Below the title, it says "Select a San Bernardino First 5 Partner by Program". There is a dropdown menu with "Child Care Capacity" selected. Below the dropdown is a "Go" button.

As you develop your proposal and/or seek subcontractors, do consider discussions with other agencies and look at ways to incorporate and strengthen partnerships and capacity for your proposal.
